January: RTH - The whole nation and every sector suffers. This is in large part due to the rejection of godly principles compared to the period prior to the mid-sixties. Social and economic achievements have created an arrogance so typical for human success. As a result the society at large including religious institutions are affected and infected (Deuteronomy 28:15-67, Hebrews 12:1-9).

February: The Origin of Our Faith-The geographic origin is important, particularly to women and minorities who have been largely relegated to cameo or less significant roles in God's word over the ages. The revelation of all Scripture demonstrates the truth, and how God has valued every person and other beings, and once annually it is a great reminder (2 Chronicles 19:7; Romans 2:10)

March: Cultural Parasites - This month represents a time of addressing some of the cultural plagues upon the nation and God's people. There are many from satanic entertainment to faith and religious abuses. The month highlights these concerns and calls for action (Exodus 19:5; Deuteronomy 14:2; Romans 12:2; Titus 2:14; 1 Peter 2:9)

April: Single Parents Month-While parenting is a blessing, it was never designed to be a mother or father alone. Both parents are to be engaged daily. Unfortunately anywhere from half to 75%

of our families are single-parent families. They need our prayers and encouragement specifically for their special circumstances. They need to live as persons with purpose filled with hope and not desperation (Genesis 21:16-21; Exodus 15:12; Proverbs 18:24; Romans 8:28-29; Hebrews 13:5).

May: The Children of Single Parents Month-Likewise the children in single parent families have their unique challenges. Too often they are left to raise themselves. Left to chance the outcome is often socio-pathic leading to crime, poor social adjustment, or other forms of deviant behavior. Believers need to provide a Christ-based support system. Jesus desires these children (Proverbs 29:15; Matthew 19:14; Ephesians 6:1-4).

June: Single Men Marriage Courage Month-This month is to reinforce the male responsibility for family. There should be preparation for it, and a sense of sacrifice where abandonment is not acceptable. Men who are not celibate must seek a mate to marry, and hold themselves accountable for the emotional and family well being of the women they meet (Matthew 19:10-12).

July: Socio-Emotional Illness Month-This month marks recognition of the social and psychological illnesses people suffer from being disenfranchised including the cycle of wounds and abuse that go untreated and transcend generations. Operating as the walking wounded it further leads to pathology noted in the broken family. This will be an information initiative, and application of Christ-based activities to address these illnesses (Proverbs 8:14; Deuteronomy 28:65; Isaiah 26:3; Mark 5:15; Romans 12:2; 1 Corinthians 2:16; 2 Timothy 1:7).

August: Finish Line (Continuing Education)Month-There are alarming statistics of persons not competing high school among other essentials for basic functioning in society. There will be prayer, the launch of an accelerated high school program, and recommended programming available to those who have difficulty finishing what they begin (Zechariah 4:6; Matthew 24:13; James 5:11 ).

September: Parents of Special Needs Children-It is another category of parenting when one or more children have either a physical birth defect, or other special challengers. The energy, emotion and expense has a whole level of exclusivity that calls for prayer and wisdom beyond typical child-development (2 Samuel 4:4; 2 Samuel 9:10-12; John 9:2-31).

October: Economically Disadvantaged Month-Jesus said the poor we'll always have with us, but recognition of those who are difference makers, and prayer and practical support are always in order (Leviticus 19:9-10; Ruth 2:2-8; Proverbs 13:7; Mark 12:42-43).

November: Dignity Month - There are many things that represent dignity. Decorum, mannerisms, presence, who we represent and what we present. There are few standards or even concern about dignity in many circles. Jesus is the model of human dignity! The month involves

presenting these standards throughout the month (Genesis 1:26; Exodus 19:6; 22:31; 1 Peter 1:15-16).

December: Attend and Support Church Month - This would appear to be assumed daily. Unfortunately, the month creates an appeal during Christmas season particularly for the growing number who do not attend a church today. This finishes the year where it began with Return to Him.
