

Amazing Things Church OL

Redeemed & Strengthened Overcomers (RSO)

"A Christ-based Program of Healing and Wholeness"

Covenant

The following is the nine point covenant, one year program outlining a covenant for RSOs and their families:

1. The Lord changes our names as He did with Saul to Paul. Likewise, we are RSOs-Redeemed & Strengthened Over-comers or potentially for those who don't know Him.
2. We build RSOs up in Christ to sustain the long haul. We feed. You are responsible to eat. You need to go through every video in the Believer from Milk to Maturity program. The Ultimate Health guide. Go to: M2maturity.org or ReturntoHim.info. If you need to go to a local library, that's what will be needed to access a computer.
3. Any counseling support (Anxiety. Depression. Other), RSOs go through the Process of Being Made Whole. It's on CBCentral.info, and they take the applicable Christ-based concept study. They will be assigned a group or individual counselor. The ministry will determine the best approach and use of resources. Each session a counselor will go through fifty questions at a time.
3. We believe in the power of prayer. Participants names and requests will be placed on the AmazingthingsChurchOL.org site when appropriate.
4. Follow Dr. DavidSon on Twitter and Facebook daily for encouragement and insights. Go to <https://twitter.com/drdsavidson>, and facebook.com/drsteven davidson.
5. Thursday nights Amazing Things is your regular Bible and RSO core fellowship.
6. A regular RSO-Redeemed, Strengthened, and Overcoming sharing hour where you can share your hurts, praises and concerns. Participants must be conscientious about the time. And no one will be allowed to obsess on their circumstance. We will meet issues with faith, prayer, and practical activities. Ministry Team Leaders: Counselor/Minister Beverly, Counselor/Minister Tim, others assigned.
7. The longer you maintain the relationship with us, the more powerful and effective the support. When requested Dr. DavidSon will also meet with you on a scheduled basis.
8. When possible, visit the altar place regularly and make any sacrifice regardless of how small. Sacrifice is a Christ-based principle and essential to healing. <http://cbaltarplace.org>
9. Confidentiality: Please read and sign the [counseling pamphlet](#). Visit the [Amazing Things Church](#) web site and read the guidelines for participating in the Thursday evening session.

Consistency, endurance and common-regard for all: We recognize how exciting people get about any opportunity, but this is not simply an opportunity. This will determine how well you cope, and may well determine much more. Furthermore, we realize we are not for everyone. We'll do what we can to work with you, but if the conditions are not working, we'll let you know. We provide transparency, trustworthiness, and truthfulness, and we expect the same from every participant.
